

ANNUAL REPORT 2012

2012 Accomplishments

We are very pleased to report to you that the Native Fish Society enjoyed a very productive, expansive and successful year. The following list of accomplishments fuel the optimism we feel for the future, an optimism we want to pass on to you.

NFS accomplished a smooth transition in leadership with the Board of Directors appointment of Mike Moody as our new Executive Director

RIVER STEWARD PROGRAM

- Expanded the River Steward Program in 2012 by 10 River Stewards to 53 total working in 60 watersheds.
- Appointed Paul Engelmeyer the first River Steward Regional Coordinator for the Mid-Oregon Coast.
- Created electronic petition that delivered nearly 400 comments to WDFW supporting the Sol Duc River as Washington state's first Wild Steelhead Management Zone.
- Participated in the Columbia Gorge Wild Steelhead Stakeholder group to determine the region's next Wild Steelhead Management Zone.
- Joined the Hydropower Reform Coalition and collaborated in efforts to watchdog future dam construction on the Skykomish and Siletz Rivers.
- Organized and participated in river cleanups on the Molalla & Hood Rivers.
- Prevented the expansion of a gravel mine into sensitive spawning habitat for ESA listed spring chinook on the SF Nooksack River.
- Participated in the Rogue Fall Chinook SMU Conservation Planning Process.

- Monitored temperature and conducted spawning surveys on wild steelhead strongholds in the Oregon Coast and the Willamette Valley.
- Organized and co-funded multi-year rapid bio assessment on the Molalla River to determine fish abundance and prioritize habitat protection and restoration efforts.
- Initiated our Crush the Barb campaign.
- Tracked the development of the Oregon Coastal Multi-Species Management Plan.
- Collaborated in the effort to expand selective gear regulations for wild rainbow trout in the lower McKenzie River.
- Organized 65 volunteers and students participating in 720hrs of work and citizen monitoring on the Mid-Oregon Coast.
- Participated on the Mid-Coast Watershed Council Technical Team.
- Developed plan for central coast watersheds TMDL water quality standards.
- Participated in the 3rd Annual State of the Beaver Conference.
- Served on the Molalla River Alliance Science Advisory Committee.
- Served on the John Day River BLM Advisory Committee.
- Supported restoration efforts on Rock and Threemile Creek in the Wasco Co.

- Worked with the Tiller School in Tiller, OR on their salmon initiative to adopt ESA listed Chinook index pools on the SF Umpqua River.
- Blaine Middle School students in Blaine, WA participated in stewardship activities on Terrell Creek.
- Participated in the coalition to fight the recent growth of suction dredge mining in Oregon's watersheds.
- Organized and led two retreats for River Stewards on the N. Umpqua and Mid-Oregon Coast.

SCIENCE & POLICY

- Filed suit in federal court over illegal operations of the Sandy River Hatchery.
- Held the first hearing with the Oregon Senate Environment and Natural Resources Committee to discuss our Hatchery Accountability Project.
- Prompted ODFW to cease their collection of ESA listed wild winter steelhead and spring chinook for use as hatchery broodstock in the Sandy River.
- Delivered hundreds of your comments to WDFW via our Action Alert Petition system regarding Lower Columbia HGMPs, asking for more protections for wild fish.

OUTREACH

- Tabled and spoke at more than a dozen events including at the Patagonia store in Portland, spey clones, music festivals, book signings and dinners.

Revenue & Expenses for Fiscal Year 2012

Financial results for fiscal year ending December 31, 2012.

- Total revenue from all sources increased 27%
- Total expenses increased 9.6%
- 87% of NFS revenues came from individual and business donors
